this icon pack is to provide a nice small set of professional music related icons.
All icons are designed in a professional and modern way. All icons are included in
different styles: - 16x16px and 32x32px formats (ICO) - 32x32px and 64x64px formats
(CDR and PNG) - 200+ files in total. If you find this small music icon set useful,
don't forget to rate this item as well. At this point, we really should explain
something about this icon collection. Icon packaging formats are becoming
increasingly popular, as it allows you to easily use your icons with many
applications. You simply add the provided icons to any application and you will get
them shown in the corresponding list. The problem is that most applications still use
their own icon formats. There are lots of icon collections available on the Internet,
but none of them can be considered to be comprehensive. Beads Icons is a small icon
collection that will give a fresh new look to your files and folders. The icons
included in this package have an abstract design and are available in the ICO file
format sou you can easily use them to change the appearance of the items on your
desktop. Beads Icons Description: - Premium pack with more than 200 ready icons: -
