
Windows 7 Ultimate N Key

July 1, 2014 - Hello, I'm wondering if it's possible to activate the N edition of Windows 7 (for example, Windows 7 Home Premium N) with non-N (e.g. Windows 7...)? When Microsoft added the N edition feature to Windows Vista in 2010, the feature was only available to users with certain requirements. However, this year Microsoft added this feature to Windows 7. I believe this is due to the higher user experience and better compatibility. I don't know if there is a more detailed explanation as I can't find it online. Question: Can I activate N edition
