AI War: Fleet Command Cheat Code PC/Windows

Escape From My Turrets is a classic FPS game based on speed, movement, parkour and the ability to use your power as it brings you unique movement based on skills and parkour. You have to fight and escape from the secret labs, a challenge that will push you to your limit. You will have 10 levels and 3 weapons. You will play as a prisoner that will need to escape from your cell, by collecting all the keys to unlock the doors and then you will have to fight the guards that will try to block your escape. You will have to use your agility and skills, and you will do everything you can to survive and to find the solution that will lead to the next level and even unlock the next secrets of the game: there are some hidden areas that will only be unlocked by certain skills. Hear the music of Escape From My Turrets in full 1080p and high-quality stereo sound in your home 5.1 channel! Track 2 - Alone is a game that takes place in a car, in an attempt to escape from a group of cars that follow you. In this Track, you play a new Driver Game: Track 2 - Alone. In this Track, you will be driving around for a while without a way to escape. But you will need to know that you will have one every time you press the Finish button. But don't worry: you will not be alone for long and you can work together to overcome this obstacle. Rules - Play this Track alone against a group of cars - You must pass through all the rounds and pick up the keys to unlock the next - You will have 3 lives to do so, and if you get hit by a car, you will lose one of them. But don't worry: you will get more lives when you earn them. - You must go through all the rounds and pick up the keys to unlock the next round Game Features: - You will be driving around a city, and you will have to drive around all the busy streets of the city - The cars will be hitting you constantly, but you can beat them and escape in this Track - Play against 3 cars at once - You must pick up keys to unlock the next round and pass through all the rounds to unlock the next level - Pick up a Mopar to go faster and pickup the keys to unlock the cars, as you won't have a lot of time to do it - Earn more cars to go further
