TigerQiuQiu: Play as the Tiger QiuQiu: Players will have to fight with the monsters on the way to the Ancient City to try to win the gold Cup in this shooter game. Features:

1. Impressive Classic
2. Classic Game Design
3. Adventure
4. Flying battles
5. Dynamite
6. Tank controls
7. Player Kills More Monsters Faster (SKMF)
8. Control Mechanics

Nyaa Invaders: Nyaa invaders consist of a lot of furry animals that have been unleashed upon mankind. Luckily, brave pilots are willing to face these

danger through the use of alien technology. You'll be given a modern jet plane with a simple purpose: Fly to the city and collect enough food to feed the invading army. You can only use air-to-air missiles to take them down. Game On!

Main Screen: Well, this is the main screen. You control the Tiger QiuQiu, and you must jump up the hill to reach a large fortress. In the side part of the screen, you must shoot the creatures that fall. The upper part of the screen will change into a maze. Just avoid running into it, and you'll be fine. When the fortress is fully collected, you'll be rewarded with a gold cup.

Control: The controls in this game will be very similar to the classic Tigerio, Bombe Tiger, Ninja Tiger:QiuQiu, Tiger Tank G. You'll control the Tiger QiuQiu by moving the right analog stick up, down, left, or right. This will

cause your Tiger QiuQiu to jump. If you press the Up button, you'll retract your wings and jump even higher. If you press the A button, you'll charge your lasers for a faster, deadly shot. Single Player: Single player consists of going through a maze of different rooms on your way to the next fortress. You must now be careful to avoid falling into the pits of lava. You will win a fortress if you make it through the whole maze and collect all of the gold. If you collect it quickly, you'll receive a score and the next level will start. If you collect it slowly, you'll receive the Gold Cup, and the next fortress is loaded. You'll also be able to play with the AI at any time by pressing the Y button. Scores: You must fly your Tiger QiuQiu to the

Product Detail Deadlands Noir - Player's Guide
Written by David G Meyers, Fantasy Grounds expert
An in-depth look at Fantasy Grounds versions 7.0, 7.0.1 and 7.2 and their companions: Deadlands Noir (DNE) and its companion, Deadlands Reloaded (DRL). This complete GM's table of contents: Chapter 1, The Game of Life Chapter 2, Deadlands Noir Chapter 3, Deadlands Reloaded
With this guide, you will learn how to run Deadlands Noir in Fantasy Grounds! Deadlands Noir, the world that introduced players to the Deadlands universe, is a gritty, urban Western setting that turns the Old West on its ear. What was once a lawless, Wild West setting so full of gunslingers and lawmen has turned in many areas over to the victim of its own success. Now dangerous criminals run rampant, gangs take over, and the only thing that can be called certain law is that of the very powerful criminal organizations. Deadlands Noir brings that environment to Fantasy Grounds. Using a rules-lite system, it can be played inside of the Fantasy Grounds system seamlessly. This GM's guide teaches you all of the core rules of the Deadlands Noir gaming setting, along with how to run it for your players. You will be able to run Deadlands Noir and its companion, Deadlands Reloaded in the following versions of Fantasy Grounds: Fantasy Grounds 7.0 Fantasy Grounds 7.0.1 Fantasy Grounds 7.2 In addition, this guide will cover characters, powers, and creating NPCs in order to set up the setting. You will learn how to get started in playing Deadlands Noir quickly and easily, and you'll understand your options as a GM or player.
