Founded in 2008, XL Games is a leading publisher of online action role-playing games. Their games have received numerous awards both from the gaming community and from professional magazines, including GameSpy's "Best of" Editor's Choice, GameSpot's "Best of 2008", IGN's "Best of 2008", G4's "Best of G4", G4's "Best of PAX", TUAW's "Best of iPhone Game of the Year", and GameSpy's "Best of 2007." XL Games is also committed to creating original multiplayer online action role-playing games with social and cooperative elements. KEY FEATURES 1. A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. 2. Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. 3. An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. 4. Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. 5. Your Own Unique Story As you continue your journey, you will be accompanied by various NPCs and they will give you their support. Your path will be enriched with choice, and your actions will have direct consequences. Features Key:

Easy-to-use Visual Combat. Even though the "strength based" system seems simple, this system is actually the culmination of many years of development. Using the industry standard Unreal Engine technology, the graphics and action have been recreated in the highest quality.

New Storyline. Vast new story with new characters and situations, as well as a new action "mission" in addition to a special system called "X-Exchange".

Myth and Faith. Through a set of powerful myths, the fictional world of Elden Ring is linked to both world's reality and the fantasy realm, as seen from within your own modern society. Equipping spells, processing myths is a journey toward confirmation of your beliefs, as well as to unity of cultural beliefs and values. Engage in a journey with mythical beings, and let them teach you the path of salvation.

Complete Battle Mechanics. From stringing together combos to turn-based command, both aspects with strong flavor are in the game. Through chains of combos and punishing attacks, you will find the rhythm of battle "flow".

System Requirements:

Minimum:

- OS: Windows®7, Windows®8, Windows®8.1, Windows®10 (32-bit or 64-bit)
- Memory: 4 GB RAM
- Hard Disk: 6.3 GB available hard disk space
- Graphics: DirectX 11 compatible graphics card with at least a GS shaders 3.0 or higher, or a capable device driver that supports the Open GL version 2.0

Additional Notes:

- On some video cards, overlaid UI can be displayed during game play.
- We recommend that USB ports are connected.
- The game can be played in the "Windowed" mode without system requirements.
- Multiplayer requires a RAM of more than 3 GB.

"Passionate about gaming." - Gameapple "The game is for me the perfect blend between the classic 'roguelike' gameplay, with the right amount of 'linearity' and make new environments for me a nice break from the usual." - Crafty-Duck "Such an amazing game made for only 14MB?! I can't believe it." - Gameblogger "With so much to enjoy, this is the free game for anyone to download and enjoy." - GameBoss "It's incredibly addictive. I don't think I've ever been so drawn in to a game. I think Elden Ring is a beautiful, beautiful game." - GlenHans bff6bb2d33
