I don't want to cook dinner for the rest of my life and spend more time with my kids.(They have their own cooking skills, they hardly need my help anyway. ) So, while I was searching for a job. Your food is the quintessence of your soul. You make choices and learn to love your food instead of just eat it. If you love food and learning about it, you are drawn to traveling and eating out.The present invention relates to processes for manufacturing products from powdered coal and, in particular, to the manufacturing of finely-divided products such as urea and ammonium nitrate. Methods of manufacturing products from coal are well known and include direct impingement of a flowing stream of coal particles onto a melting surface to produce coarse products such as aggregates of the particles, briquettes of the particles, and pellets. These products find utility as fuel, as an intermediate in the conversion of coal to heat, and as a chemical product, e.g., urea. Methods for producing small particles are also known, e.g., U.S. Pat. Nos. 3,565,441 and 3,573,123, in which coal is 0cc13bf012
