We have gotten your request, and the passage was not mentioned in the FAQ. If you want to read it, the passage was created by yourself and is available for you in the game. You can read it, if you have this request. But it's very easy to do. You just need to use the search function. Go to the other part of the game, where you want to read the passage, and type the word "pals" in the search box. You will find the passage there. You're done, and you can look through the "Pals". We will tell you when this information is needed,
