Comments about: JK Ninja Girls 720p:

Have you ever been to one of those G-Rated theatres, or that overpriced Movie Rental from the mall?... If you like action, music, comedy, or just plain good cinema, you'll find more of everything at the multiplex... So who's the ideal moviegoer? A modern-day moviegoer on a budget who's willing to put up with what's available, or someone with a lot of disposable income with time to burn... If you're the second type, expect to find plenty of things to eat, drink, and enjoy at your local multiplex... Here are seven places to check out at your local multiplex if you're in the market for the latest and greatest Hollywood releases... As if being the perfect moviegoer wasn't hard enough, you now have a dedicated task force for saving your money, time and sanity... Since I can still play video games at 12:30 on a weekday morning, it's hard to imagine I'll even consider going to a movie theatre today.
