who have left the Christian faith because they claim it inhibits the enjoyment of comics. While it is definitely true that some comics portray a Christian message, there are many that are far from inappropriate. If you would like to read some comics that are simply the opposite of faith destroying, please check out the links below. There are plenty more to follow. For a great deal more comic reading, check out the links below as well. From the Beginning - On, being a cartoonist today is a difficult way to make a living. It is no longer the easiest or most convenient route to take for someone who wants to make a living from their art. One could easily fall into one of the many

pitfalls that face a cartoonist. I remember seeing many cartoonists in my day that were forced to work against their talent due to their first, second or third advertising clients not paying their freelancers. I am telling you as someone who found himself in the same situation, it is something one must be weary of. I

am going to try and provide a website link that helps out new cartoonists and the cartoonists that have just come off the road. They are some tools on that site. Check it out.
