Tropical Cuties Adry 8y 132

Someday132 comes from the land of Gaspipe, the famous 5'8" tall strongman from the Heavy Metal / Rock world. Gaspipe is not exactly the biggest guy around, but he does have two scary small fists and a huge cock. Someday132 is a bit different than other videos in this site, his small cock is super flexible, and his strong hands can do anything with his balls. His name was Gaspipe, but he says his real name is Sohum. His cock is already big, and he tells me that when he is horny, his cock is like a snake. I met Gaspipe when I saw him in Freaxxxx's Worldwide Sperm Challenge. Freaxxxx asked him to participate in his sperm challenge. We had a good time, we had great sex, and he came in my mouth. It was great sex, he fucked me, and I cummed on his cock. Not so bad, huh? He asked me if I wanted to do his next challenge and I said yes. I'm sure you are dying to know his next challenge too, right? Good! Gaspipe is the type of guy that you love to give a few vid-caps. He asks me if I want to film the first scene, and I said yes, so we filmed it and it was great sex. He told me he's horny and wants to have me suck his cock, and I suck his cock. Then he said he wants to have me suck his cock, and I suck his cock. And so on, and so forth. He was a good boy, I loved to suck his cock, but he came so fast and so good, I am still a little sore. He said he wants me to fuck his ass, and I fuck his ass. I couldn't believe he was going to fuck me so hard. It was so great. I love sex, but I never got fucked so good in my life. The sex was great.
