We're sorry, but as of mid 2015, we have no longer been able to provide free downloads for any of our titles. Due to high bandwidth and server costs, not to mention the expense of the technology, our online books have become too expensive to host for free, even on a subscription basis. You may, of course, contact your local libraries for a free copy. We also apologise for the inconvenience. For your convenience, we've listed other sources for the title below. For more information, please contact [email protected] If you have any questions about how to download your free ebooks, please email [email protected] It's a sad day for ebooks fans. We hope you'll find other free titles you're interested in. The University of Hawaii at Manoa hosts the largest and most renowned digital library in the world.
