More Related News This section is for discussion on Video Watermark Software Key. Please note- This site is for only keygens and patches.. The activation is applied to all devices and not tied to a PC account or device. . On April 7th 2008, the British government published its Digital Economy Act 2008 that is intended to increase internet safety by making it illegal to use peer-to-peer file sharing software without a valid license key. -

---

The act originally included a clause that would make it illegal for DVDÂvideo discs with watermarks to be copied onto mass---
