Elden Ring Features Key:

Story M: Powerful cut-scenes, rich dramatization
In the story, vivid conflicts between the Goddesses and Ragna, God of Destruction, unfold. Together with you, Ami reveals the legend of the Elden Ring that has been passed down for centuries.
El Forge Online Play: Enjoy an adventure with others online, and gain more options for your character and party
Developer Diary: Witness the development of the game world: Discover how the world is designed.
The Void: Transcendence into the Lands Between and meet the mysterious beings known as the "Void Eaters".
Persistent Recruit System: Recruit adventurers into your party and a guild
Hero System: A new character attribute system allows you to customize your battle style as you fight

A great role-playing experience awaits you in Athma, the lands between reality and fantasy. The epic story begins here.

Elden Ring Free

This is Tarnished one of the main characters in the game. Full version: UNLOCKABLES/MILES: Take control of an orc of the Great Horde Tarnished who has transformed by the blood of the evil spirit that has possessed it. It is in this desolate land where bloodthirsty demons known as "Arachnun" roam. The least of these demons is as deadly as an Orc, but the greatest of them is more than ten times as strong as you. The need to wipe them out drives the warriors of the Great Horde. "THE WAR OF THE THOUSAND ORCS" • Join your party. Assemble your party of warriors from a wide variety of races and classes on the path to the next quest. • Handle Monsters. As you interact with the world and your allies, encounter and fight the monsters who dwell in it. • New Extra Contents and RPG Functions. The game offers an item function that lets you freely search for items, a function that allows you to select your favorite weapon or magic skill, an advanced inventory management function that records what you search for, and an RPG function that adjusts combat conditions and information displayed on the map. • A Weapon that Makes the World the True Battlefield Craft weapons with the materials you earn, and use them to slay the enemy. Equip up to 20 weapons. • Powerful Magic

with a Different Element Learn magic with various elements, such as fire, ice, wind, and water. • Title Guide The game includes an in-game title guide function to help you learn about the world of Elden Ring by reading the contents of the game. "THE WAR OF THE THOUSAND ORCS" • The Make-Use of Your Bonds Set bonds with the members of your party as close as possible, and use their skills. • The Map Function That Proves the World is Your Battlefield On the map, you can see detailed information such as a list of locations where monsters attack, where each warrior has been, and the routes they have taken. • Attacking Locations You can set an attack plan on the map and carry it out from a safe place. You can even attack from

What's new:

10,344userSince March 13, 2017Dolores Castle Point At A Glance The name of the game released today. Thank you for playing Fantasy-Mana, and thank you for continuing to care about our game! Dolores Castle is a fantasy MMORPG that is a highly realistic RPG that is simple to grasp, but has its own unique twists. We hope you enjoy it!The Story of Dolores Castle Dolores Castle is a role-playing game where you can escape the daily stress of society, and take on the most powerful opponents the world has to offer, and travel on a quest for the emerald called the Heart of Nature. Work hard and challenge yourself, and you will succeed. 1. New Feature: The Three Kingdoms The game revolves around the Three Kingdoms era, and it is an online MMORPG where you can enjoy a rich story with the storyline set in a world where the Three Kingdoms era is live. You can take on the roles of various classes, and lay claim to becoming the strongest on the planet. 2. Role Playing Games Made Simple The game is set in a world where the Three Kingdoms era is live, and has been upgraded by our design team, and has added a more realistic world. In addition to that, we have a new class, expanded the wealth of the game, and have added a new area. 4. Revenant Outfit System Fancy armor is undergoing changes. Do you want to become a big-screen actor? Let us give you a wind of fame! 5. Transfer Features We have added an in-game friend feature and an enhanced user management function, as well as an additional customizing function for your character! 6. Weapon Marbling Weapons that have been left to decay will have their appearance changed according to the damage history of the weapon. Also, weapons that have been recently used will have a sword sun and a reflection pattern added. 7. Character Customization For the first time in Fantasy-Mana, we implemented

almost all functions to customize your character. Let us look over its detailed points. 8. Order Oath In order for you to enjoy the best features of the game, we added an overjoyed combat that will have you itching for a fight. Before you begin to enjoy the game, make the right decision and pick an ideal order with the Oath system. 9. Online/Offline Combat Let's go to our offline mode and compete with our opponents
