Filing and paying your 2018 taxes online is the preferred method. Applying for a program Pending review and approval, we will determine if your application for financial assistance is eligible. We do this by reviewing your income, assets, and expenses. You will receive a letter from LFCS informing you of your application status. We'll provide you with information on how to appeal the agency determination. If the application is approved, you'll receive an acknowledgement and letter informing you

of the amount you will be awarded. Pending, you will receive an informal application review. We may reject your application for any of the following reasons: Your application was not received by the deadline. An incorrect or incomplete application was submitted. Ineligibility. Program expenditure date. Ineligibility due to the household's income or assets. Ineligibility due to the household's debt. Ineligibility due to the household's expenses. The household is a closed case. Your household members provided inaccurate income information on the application. If the application is denied, you will receive a decision that explains the reasons why the application was denied. You have the right to appeal. Hardship Your household cannot claim a financial hardship in order to receive a reduced amount of financial assistance. If your eligibility is determined to be denied, you may submit a hardship waiver
