Sleeping Dogs' new story DLC takes Wei Shen to an elite martial arts tournament on a hidden island. . I do not like . Yes, it's a lot of fun, but I didn't like it at all. Throughout the story, we see his character become more and more desperate, which makes him very dark, especially in the final half. Unfortunately, it didn't work out as planned and while it was a good phase of the game, it can't be compared to the first half. So I really recommend that you don't waste your time playing this DLC. I do not like . There is nothing special in the game.
