Bloody Roar Extreme is a fast, frenetic and awesome 1v1 fighting game. Fighting like a regular fighter is great and all. However, here you can enable . This is what allows the character to literally crash into other fighters to finish them off instantly. Well, to some extent. Fighting is a game of speed, and here you will not find any strategy to defeat your opponent,

unless he is your friend. However, if you want, you can turn on the strategy, and this, as they say, is a matter of taste.
