
HD Online Player (Euro Truck Simulator 2 Mod Auto Stop) [Extra Quality]

May 11, 2021 is an extremely ambitious addition that results in a game world where every truck on the road is controlled by a different player. There are no rules. There are no restrictions. There is only one rule - you must earn money. This is an add-on that players can play to earn and make a lot of money. But for this you will need a truck with a huge payload and a huge amount of fuel.
