What's New In Standard Logistics Icons?

It is designed for users who demand the maximum quality, clarity, and elegance in their interface. The package contains a wide range of icons in a number of resolutions - 16x16, 20x20, 24x24, 32x32, 48x48 and 256x256. Standard Logistics Icons give you the possibility to modify the icons to be perfectly fit for your website, application or website, whether it is a business website, a personal blog, or some informational or e-commerce application. Compatibility: The package is compatible with any modern browser, including Google Chrome, Mozilla Firefox, Safari, Opera and Internet Explorer. Icons Included: 24 different icons are included in the package, each of which has been designed and provided in various formats: bitmap (ICO, PNG, GIF, BMP) and vector (Adobe Illustrator format - AI, EPS). You will have no problems incorporating the icons into your website, application or software, even if you have never used any of the icons included in the package before. Customization: If you don't like the icons included in the package, they are all editable, which means you can use them as you like. So, if the icons included in this set don't suit you, you can modify them as much as you like - change the colors, change the shape, add a text or any other element you want to. The package contains a single Photoshop file with all icons included, which allows you to edit the icons as much as you like. The package also contains a single Illustrator file with all icons included, which allows you to modify the icons to be perfectly fit for your website, application or software, even if you have never used any of the icons included in the package before. Installation Instruction: You can easily install Standard Logistics Icons. First, you have to install the Adobe Illustrator program. After the installation is done, you just need to open the illustrator file and use the icons that you like in the new document. 1.7.0 1.6.0 1.5.0 1.4.0 1.3.0 1.2.0 1.1.0 1.0.0 100 100 100 100 100 100 100 100 100 A packaging item.
