Smoke (4:54)11. No Jacket, No Shirt, No Problem (1:07)We've all read stories about people who used Pokémon Go to go out and catch the monsters. Well, two hikers in Colorado actually did catch a Pokémon. But instead of catching it and then stocking up at their local PokeStop like you do in the game, these hikers walked around for two days trying to get the coveted Celebi. They finally found it. And they caught it. Redditor doublesetup and his friend were trekking through the Gore Range in Rocky Mountain National Park when they happened upon this. Two hikers, the Pokemon in question, and an eight-legged animal with a blue tail that looks like it's wearing a leotard. It's a rare breed of Pokemon known as a Jirachi. It's absolutely majestic. And this was even better than the first picture we saw, "because
